PRELIMINARY AMENDMENT

Sir:

Concurrent with the filing of this application, please amend
the above-identified application as follows:

IN THE SPECIFICATION

Page 1, in the paragraph beginning on line 14, change as follows:

B1
In consequence, amongst other things, it is an object of the
present invention to provide the system versus such data items with
an immediate reactivity and physical recognizability as to their
content. Now therefore, according to one of its aspects, the
invention is characterized in that said multimedia method comprises
the steps of allowing the distributed items to exchange analog or
digital information under proximity conditions with respect to the
host, but without requiring formatted berth facilities of the host,
